

SAFE HAVEN Student Survey Version 2

Form A: Grades 4 and 5

- This is a survey about drug and alcohol use and violence. It also asks about other related behaviors and attitudes.
- This survey is voluntary. You do not have to complete this survey, but we hope that you will decide to do so.
- This survey is completely confidential. Do not write your name anywhere on this booklet. The number in the top right corner will be used only to connect your answers on this survey to your answers when you take the same survey at other times.
- Your teacher will read the survey questions to the class. Please follow along in your booklet and choose the answer that best matches what you think.
- Please mark all of your answers directly in this booklet. Mark only one answer unless told to do otherwise.
- If you do not understand a question, you may leave it blank.
- When the class has finished this survey, your teacher will collect all the surveys and seal them in an envelope.
